nature or character, as more fully described below. It occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A certificate of correction is requested.

2. Attached is Form PTO-1050, with at least one copy being suitable for printing.

3. The exact page and line number where the error occurs in the application file are:

Column 1, line 47, immediately following "... the haze value of" please delete "top" and replace it with --lower--.

Column 2, line 3, please delete "polizer" and replace it with --polarizer--.

Column 2, line 5, please delete "polizer" and replace it with --polarizer--.

Column 2, line 41, immediately following "... anti-glaring treatment of the" please delete "top" and replace it with --lower--.

REMARKS

A Certificate of Correction is respectfully requested in view of the above. It is noted that minor errors appear in columns 1 and 2, and that persons skilled in the art would appreciate these minor errors. In this regard, two locations the patent erroneously referenced the "top" polarizer, rather than the "lower" polarizer. This error resulted from the translation from an original Taiwan (Chinese) specification. Thus, the term "top" (instead of "lower") was the result of a clerical translation error.

Also, in two locations, the word "polarizer" was misspelled as "polizer."

4. Please send the Certificate to:
